

October 22, 2013

Dear NHSF,

On behalf of Team NHYC, I'd like to say thank you for supporting our endeavor at the Linda Elias Memorial. We competed in Catalina 31's over two days and wound up tying for second with SOYC and losing the tie-breaker. The experience allowed ten of our women to compete, and we fully appreciate the support. Cal YC won, with South West YC in fourth.
